

A DIAMOND BRAND PRODUCT

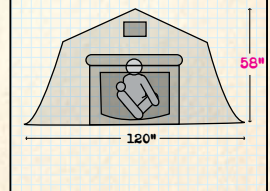

SOLDIER CREW TENT

FLOOR PLAN VIEW

FRONT VIEW PLAN

A four-man, four-season, free standing, low profile, double wall, field tent designed for billeting Tank, Armored Personnel Carrier and HMMWV crews. The tent has a fully integrated tub floor and waterproof reversible rain fly. All tent floor, tent body, and rain fly seams are factory taped for water fastness. The tent has two doors for easy ingress/egress and utilizes fully wire shock corded, sturdy aluminum poles.

- Rain fly covers all openings in shelter
- Rain fly/Tent body prevents escape of light and provides protection against visual and infrared detection
- Set up by two soldiers in under 5 minutes

WHY DIAMOND BRAND?

Because Diamond Brand is committed to manufacturing the best lightweight, rapid deployable tents for today's warfighters. We operate as both a domestic manufacturer and a specialty outdoor retailer, and are in the unique position to evaluate and identify the latest technology in commercial expedition and backpacking tents. These tents and shelters are crafted with pride in our 100,000 square foot facility in Fletcher, North Carolina... as we have since 1881.
